# Court of Governors

OF THE

## Monkwearmouth & Southwick Hospital,

SUNDERLAND.

THE Annual Court of Governors was held in the Board Room of the Hospital on Tuesday evening, February 28th, 1928, at 8 o'clock.

Sir John Priestman, Kt., J.P., presided.

There were present:—Alderman E. H. Brown, J.P. (Chairman of Admission and House Committee), Mr. T. L. Anderson (Vice-Chairman of Executive Committee), Mr. J. Snowball (Chairman of Finance Committee), Dr. Stewart McNaughton (Hon. Physician and Chairman of Medical Board), Mr. Stanley Ritson (Senior Hon. Surgeon), Dr. R. S. Hubbersty, Mrs. Stanley Ritson, Mrs. Stewart McNaughton, Mrs. R. H. Campbell, Mrs. J. W. French, Mrs. B. Smith, Mrs. Waddell, Miss Walton, Messrs. W. Crew, A. McAlpine, R. Kennedy, W. Welford, J. Crossley, J. W. Fulton, John Young, R. Muirhead, E. Davies, W. Jobling, Coun. J. G. Potts, H. Albion, J. W. McKenzie, J. Crawford, T. Cowens, C. Andress, W. C. Robinson, W. Richardson, T. A. Bowmaker, T. W. Pounder, T. Bell, G. Cain, J. Campbell, R. E. Dalby, E. Northorpe, R. Jobling, Coun. W. Y. Logan, J. C. Scott, J. Coulson, R. Owen, W. Hutchinson, J. W. Wilkinson, J. Turnbull, R. Gray, M. Cavanagh, W. Telfer, J. A. Joyce, R. Wood, T. Taylor, J. Anderson, Miss C. K. Wallace (Matron), and W. E. Mann (Secretary).

Apologies for absence were received from Sir James Marr, Bart., C.B.E., J.P., Major R. H. Thompson (Hon. Treasurer), Dr. I. G. Modlin, Mr. J. G. Jordan and Mr. J. Douglas.

1. The Minutes of the last Annual Court, held February 22nd, 1927, were taken as read and adopted.

## 2. Executive Committee's Annual Report.

Sir John Priestman, in moving the adoption, said such an excellent account of the work of the Institution had appeared in the "Daily Echo" that it had left him with very little to say, but they had got such fine support from their local paper that he would not have anything to say against it again. (Laughter.)

The number of persons in the Institution and treated as out-patients during the year had topped any previous year's figures and reached a total of 8,531 patients.

Ultra violet-ray apparatus had been installed, for which they had to thank the Ladies' Committee, which had met the whole cost. He did not know how they would have got on if they had not had the help of such an enthusiastic body of ladies throwing heart and soul into the work of the Institution. As they increased the utility of the Hospital so they added to the cost of running it, but their ordinary income had only once exceeded what it was last year.

Sir John paid a tribute to the workpeople, who, he said, had done splendidly by increasing their subscriptions by £981. If the men would only go on like that there would be no fear in their hearts about getting on with the new Hospital. The minute more work had come to the town the workpeople had put their shoulders to the wheel, and they were also making substantial contributions to the Building Fund, which showed they were as keen and anxious as anyone to have the new building.

The splendid effort of the Roker Regatta and Carnival last year had enabled them to increase their contribution from £150 to £200, and the charity football competition had also increased the amount raised by them to £135. Then they had had over £200 from dances, for which they heartily thanked Mrs. Ritson

and all those who had assisted in raising such a magnificent sum. When these dances started he tried a few steps at his own home, and then went to one of them. He thought he did not do so badly, but he must not have done so well as he imagined, because he had never had an invitation since. (Laughter.)

The Ladies' Guild had done magnificent work in collecting funds for linen, etc.

During the year Dr. Modlin had retired, and for what he had done for the Institution for many years past they were deeply grateful.

Everything was going along well, and all they wanted was the new Hospital. A sub-committee was examining the specifications and quantities, and he was very anxious to see the first brick laid. The feeling that there was no need for a second hospital had disappeared, continued Sir John. Their friends at the Infirmary now recognized that there was not only the need, but the demand, and were helping them in every way, he was glad to say, and they all looked forward to peace and happiness between the two institutions.

When the Hospital was founded in 1873 by the late Ald. Tyzack and those who worked with him, it was founded on the condition that they should maintain a hospital in perpetuity on the North Side of the Wear, so they could not possibly shut it up without betraying their trust. (Hear, hear.)

The Report was adopted.

### 3. Medical Board's Annual Report.

Dr. Stewart McNaughton, in presenting this Report for adoption, said he had only the old old story to tell. They were still working under difficulties, but now their hopes were getting higher and higher and these difficulties would be cleared away. This would be not only for their own benefit, but for the benefit of the patients.

Mr. Stanley Ritson, in seconding, said that a total of more than 8,000 patients was a considerable number for such a small place, but the institution was performing a noble work.

The Report was adopted.

4. The Matron's Annual Report.

Alderman E. H. Brown, J.P., moved, and Mr. W. Richardson seconded, the adoption of this Report.

Carried.

5. Financial Statements for the Year.

Mr. J. Snowball, in moving the adoption of the Financial Statement, said it was very gratifying to find that the ordinary income was increased by £1,128. Donations increased by £97 and they had received no less a sum than £168 from grateful patients. In these days when the public seemed to be getting tired of flag days it was very pleasing to find Rose Day receipts up by £40. One item was down by £292 and that was on the receipts from local authorities for the treatment of tuberculosis.

The £1,500 received from legacies had been placed to the reduction of the bank overdraft. They had hoped further to reduce this, but times had been hard, and it might be a while yet before they could wipe the overdraft out. The expenditure had been decreased, mainly on maintenance, but it must be gratifying to everyone that the Institution had done so well.

Mr. J. Telfer seconded, and the report was adopted.

## Out-patients.

The work of this Department under restricted accommodation continues to grow, no less than 7,735 patients receiving treatment, an increase of 791.

The number of attendances of these out-patients has been considerably more, the average number attending daily being greater by 24.1.

### **Massage and X-Ray Departments.**

Full use is being made of these departments, 305 cases received massage treatment, and there were 1,913 screen examinations made and films taken.

### **Additional Equipment. Ultra Violet Ray Apparatus.**

Through the kindness of the Ladies' Dance Committee, the apparatus for giving this new treatment has been installed. The advantages of this installation has been most beneficial to many patients, and the Ladies' Dance Committee are thanked for this valuable adjunct to the Hospital benefits.

### **Finances.**

The Committee are pleased to report increased receipts from practically all sources of Income. The total Ordinary Income of £5,665 3s. 9½d. is £1,128 8s. 5d. more than last year.

Extraordinary Income from Legacies amounted to £1,500, which had the pleasing effect of reducing the amount due to the Bank.

The total Ordinary Expenditure amounted to £6,710 8s. 8d., a slight reduction as compared with the previous year.

The Committee express their debt of gratitude for this welcome increase of Income. It shews the great sympathetic interest taken in the work of the Hospital.

Big developments are anticipated in the near future in connection with the New Hospital, and the larger responsibilities can, in the opinion of the Committee, be hopefully faced.

### **Annual Subscriptions.**

The Committee are indebted to the Annual Subscribers for their continued help. The usual amount from this source has been maintained. Additional subscribers to secure a regular Income will be welcomed.

### **Workpeople's Contributions.**

With better employment, the Workpeople have not forgotten the Hospital. The amount recorded is £981 2s. 10½d. better than the previous year.

In expressing their thanks to the Workpeople for this splendid achievement, the Committee have confidence of even greater generosity from this source.

### **Officials and Foremen.**

As with the Workpeople's contributions, an increased sum has been received, viz., £32 7s. 3d. as against £15 7s. 8d.

### **Donations.**

A commendable sum of £224 0s. 11d. has been received, and of this amount grateful patients have given £168 5s. 6d.

This appreciation of service is most encouraging.

### **Hospital Saturday and Rose Day Funds.**

It is a pleasure to have to record the receipt of £418 11s. 10½d. under this heading. With such a multitude of Flag Days, this Hospital's annual effort does not lose its popularity.

The Committee appreciate the generous response, and thank all the workers, particularly those patients who willingly gave their services, in return, in some measure, for the benefits which they had received.

### **Hospital Sunday and Sunday School Collections.**

Confining itself to the North side area, a similar amount has been received as in past years. A special contribution this year was the £5 given by the United Adult Schools, from their Harvest Thanksgiving Services.

The Committee thank all who have given to this Appeal, and do hope that a sum sufficient to maintain a bed or cot will be realised from this source in the coming year.

### **Sport and Entertainment.**

Year by year the various branches of Sport and Entertainment generously assist the Hospital, and the valuable contributions received by these efforts are much appreciated.

The Committee extend to the following their warmest thanks:—

The Monkwearmouth Charity Cup Football Competition, who handed over the sum of £135 15s. 6d. as the result of last season's competition.

The Roker Regatta and Carnival Committee, who again allocated the handsome contribution of £200 from their recent effort.

The Football Practice Match receipts enabled the Sunderland Association Football Club, Ltd., to allocate to the Hospital £40.

Whist Drives & Dances played a prominent part in augmenting the Hospital's income. To raise the sum of £225 15s. 4d. was no mean achievement. Warmest thanks are extended to:—

Mrs. H. C. Coatsworth, Dr. A. T. Woodward and Mr. F. W. Dugdale, whose effort raised £95 6s. 5d.

The Whist Drive & Dance organised by Mrs. A. McGahan and friends handed over £40.

The Members of the Southwick Police, per Inspector Thompson, handed over £41 8s. 11d.

The Sunderland Charities Aid Committee, from their annual efforts, allocated £14.

The Sunderland & District Bowling Association, from the proceeds of their Annual Rink Competition, gave £6.

The contribution from the Durham North-East District Farmers' Ball Committee was £30.

The Pigeon Race, organised by the North-Eastern Counties' Federation of Homing Pigeon Societies, for the Robson Challenge Cup, given by Messrs. E. C. Robson & Sons, Ltd., Millers, Sunderland, had 237 entries. The amount received and paid to the Hospital was £11 17s. 0d.

The Committee record their thanks to all.

### Miscellaneous Income.

The Committee convey their appreciation and thanks to:—

Mr. Tom Crow (of Messrs. A. T. & E. A. Crow, Auctioneers) who organised, assisted by his former friends and others, a special gift sale of a bullock and pigs. The half of the proceeds, given to the Hospital, amounted to £58 7s. 3d.

His Worship the Mayor, Alderman David Cairns, allocated one-third of the Collection taken at the Mayor's Sunday Service. It amounted to £9 6s. 9d.

The sum of £17 2s. 6d. was received from the Members of the Sunderland & District Butchers' Association, per J. S. Baty, being one-half of the 15th Annual Church Parade Collection.

The Students of St. Benedict's House at the Training College, Sunderland, by special collections, contributed £5 12s. 0d.

Part of the proceeds of the Lecture by Mr. Luke Thompson, M.P., and held in the Victoria Hall on Good Friday, produced £21 6s. 0d.

On the launch of the s/s "Silverhazel," of the Silver Line, Ltd. (Messrs. Stanley & John Thompson, Ltd., Managing Owners), at the North Sands Shipbuilding Yard of Messrs. Joseph L. Thompson & Sons, Ltd., a contribution of £10 was given to the Hospital.

By a proportion of the profits on the sale of the song, "Blue Danube Waltz," at the King's Theatre of Messrs. Thompson and Collins Enterprizes, Ltd., the amount of £7 9s. 8d. was received.

The fees of £3 6s. 8d. for the loan of a Weighing Machine by Messrs. Charles W. Dorkin & Co., were given to the Hospital.

The Tyneside Meat Traders' Charitable Association again forwarded a welcome contribution of £25.

### **Legacies.**

The Committee are pleased to report that the total sum received from Legacies has exceeded the amount for many years past. The bequests are:—

By the wills of: The late Mr. Frederick T. Dickinson, J.P. (Hon. Treasurer), £1,000; the late Mr. James Thompson, £450; and the late Mrs. Grace Ann Carter, £50.

### **Obituary.**

The Committee record with deep regret the loss by death of the following, and to whose relatives the Committee tender their heartfelt sympathy:—

Mrs. W. B. H. Lockerbie and Mrs. S. H. Hedley, Life Governors and Members of the Ladies' Committee for many years.

Miss Dorothy Kell, a Life Governor, and who did great service in connection with the 1925 Bazaar.

Miss Robson, an Annual Subscriber for many years.

Mr. T. Naisby and Mr. W. Potts, Workpeople's Representatives upon the Executive Committee, and who served the Hospital faithfully and well.

Mr. John Wallace Taylor, J.P., a Life Governor and a generous supporter.

Mr. William I. Armstrong, a Life Governor and great sympathiser in many ways with the Hospital.

And just as the Report is being prepared, Alderman John George Kirtley, J.P., Chairman of the Hospital 1915-1917, 1919-1925. In December, 1926, to mark their appreciation of his services as Chairman and of the long active association with the Hospital, the Committee presented to Alderman Kirtley a framed photograph of himself. The picture was handed back by Alderman Kirtley, and it now hangs in the Board Room.

### **Hon. Medical and Surgical Staff.**

A most important change in the Staff was the resignation of Dr. I. G. Modlin (Chairman) who for a long period of years had served the Hospital faithfully and well.

The Committee place on record their appreciation of these services and, as a further tribute, support the recommendation to appoint Dr. I. G. Modlin an Honorary Consulting Surgeon.

To fill the above vacancy, and those vacancies of the previous year, the constitution of the Staff has been somewhat changed. The following new appointments were made, viz.:—

As Honorary Surgeon, Mr. W. A. Hewitson, M.B., B.S., and M.S. (Durham); M.B., B.S. (London); F.R.C.S. England. As Assistant Honorary Surgeons, Dr. T. D. Miller, M.B., B.S. (Durham), and Dr. H. B. Levy, M.B., B.S. (Durham).

Dr. A. T. Woodward having resigned the position of Anæsthetist, he was appointed Assistant Honorary Physician. Dr. John Milne was elected as his successor.

These gentlemen are welcomed to the Staff.

### **Linen Guild.**

The formation of this Guild has been a most valuable asset. During the first year of its activity practically the whole of the linen requirements have been supplied. The Committee desire to express their gratitude to the ladies of the Linen Guild.

### **Wireless Installation.**

The Ladies' Dance Committee has further demonstrated their interest in the Hospital by defraying the cost of a complete installation for the patients and staff.

This gift has been much appreciated.

### **General.**

Warmest thanks are extended to:—

The Ladies' Dance Committee, who have in many ways helped and seen to the special comforts of the patients and staff.

The Sunderland Forge & Engineering Co., Ltd., for supplying and fitting free the Electric Lighting Installation for the Christmas Festivities.

Mr. and Mrs. R. A. Kirtley, the donors of the Christmas Day Dinner to the patients and Nursing Staff.

A Member of the Executive Committee and his wife, who wish to remain anonymous, the donors of the New Year Day Dinner.

Mr. W. B. Harrison for the free supply of Ice, and Mr. E. Lautebach for the free supply of Mineral Waters throughout the year.

Mr. R. L. Rennison for attending to and repairing the Clocks.

The various Ministers and religious denominations who have visited the Hospital and conducted the services.

All donors of gifts, which have been acceptable and welcome.

The Committee are especially grateful to the Press for their unfailing courtesy in giving such wide publicity to the various reports, thus ever keeping the Hospital's work fully before the public.

#### **New Hospital.**

The preliminary arrangements have been steadily progressing during the past months. It will be viewed with great satisfaction that a practical building policy is now in the hands of a special Committee.

#### **Conclusion.**

In concluding the Report, the Committee are gratified with the continued interest shown in the work of the Hospital.

Future developments will call for greater financial support. This fact must be emphasised and borne in mind by those who are now contributing, when they are called upon for increased help. Perhaps those who contribute now little, and some not at all, will remember their duty to lessen the burden and anxiety of those who carry on the sacrificing work of relieving the sick and injured.

JOHN PRIESTMAN, Chairman.

W. E. MANN, Secretary.

# Report of Medical Board.

---

The Medical Board have pleasure in presenting their Report for the year 1927.

## **In-patients.**

During the year the total number of admissions to the wards numbered 796. Of these 134 were accidents, 130 medical cases and 502 surgical cases. Our accommodation has been taxed practically to its full capacity, the daily number resident being 42.99 and their average stay 19.55 days.

681 operations were performed under general anæsthetic.

## **Out-patient Department.**

7,735 new cases were treated in this Department during the year and they made a total of 36,142 attendances or visits. The total attendances have increased by 7,416 over the previous year.

The daily average out-patient attendance was 117.6 as compared with 93.5 for 1926.

The question of accommodation for the treatment of these out-patients is now becoming an urgent problem.

## **Electro Therapædic Department.**

Since our last report the Artificial Sunlight Apparatus promised by the Ladies' Committee has, thanks to their generosity, been installed. It is proving of great value to the Institution.

In the X-Ray Department 993 cases have been dealt with.

## Massage.

305 new cases have received massage treatment during the year. This is an increase on the figures of last year.

## Staff.

Since the last Report, there has been changes in the constitution of the Medical Staff. The Board regret to record the resignation of its Chairman, Dr. I. G. Modlin, who has faithfully served the Institution as Honorary Surgeon over a period of 33 years. The Board cordially support the recommendation that he be appointed an Honorary Consulting Surgeon.

To fill vacancies, Mr. W. A. Hewitson was appointed a full Honorary Surgeon, and Drs. T. D. Miller and H. B. Levy were appointed Honorary Assistant Surgeons. Dr. A. T. Woodward was appointed Honorary Assistant Physician, and the vacancy in the post of Anæsthetist thus created was filled by the appointment of Dr. John Milne, a former House Surgeon.

Dr. A. D. Miller succeeded Dr. T. D. Miller as House Surgeon.

The Board places on record its grateful appreciation of the services of Matron, the Nursing Staff and the Administration Staffs for their invaluable assistance.

STEWART McNAUGHTON,

Chairman.

## The Matron's Report.

---

It gives me pleasure in submitting to the Governors my Report for the year 1927.

During that period one probationer has signed for three years' training. There were several applicants but few were suitable.

One probationer sat her final State Examination and was successful, also one Junior Nurse sat and passed the Preliminary Examination.

Dr. J. F. Halliday continues to give to the Nurses in training, lectures on Anatomy and Physiology, and to him many thanks are due.

We are indebted to the Ladies' Dance Committee for many gifts, especially the installation of a Wireless Set throughout the Hospital.

I wish to express to the Ladies' Linen Guild my most grateful thanks for their splendid contributions of Linen during the year 1927.

I take this opportunity of thanking the members of the various Committees, also the Hon. Medical and Surgical Staff and all who have helped us in various ways throughout the year.

C. K. WALLACE, R.R.C.
